SUMMARY

Dedicated to delivering high-quality, research-informed instruction in Computer Science and Engineering. Committed to fostering critical thinking, innovation, and lifelong learning in a diverse student body at the tertiary level.

EXPERIENCE

 Lecturer University of Asia Pacific - UAP	10/2018 - Present Dhaka, Bangladesh
<ul style="list-style-type: none">Conducting theoretical and sessional coursesConvener of a central club, Youth Engagement and Support Group, UAPHost Side Branding and Signage Coordinator in 45th ICPC, Dhaka, BangladeshWorked as the executive member of the Transportation, Security, and Safety Team in the 10th Convocation of UAPArranging several seminarsStudent AdvisingSupervising the Complex Engineering Problem of the Final Year Design Project	
 Lecturer Daffodil International University	2016 - 2018 Dhaka, Bangladesh
<ul style="list-style-type: none">Conducting theoretical and sessional coursesArranging seminars on "Girls in ICT"C	

EDUCATION

 MSc. (Appeared) University of Dhaka	2018 Dhaka, Bangladesh
CGPA 3.67 / 4.0	
 BSc. Hons University of Dhaka	2016 Dhaka, Bangladesh
CGPA 3.51 / 4.0	

AREA OF INTEREST

Machine Learning, Deep Learning, Signal Processing, Image Processing, Computer Vision

LANGUAGES

English	Proficient	● ● ● ●	Bangla	Native	● ● ● ●
Hindi	Intermediate	● ● ● ●			

SKILLS

Programming Languages:

C, C++, Python, Matlab.

Core Areas:

Data Structures and Algorithms, Object-Oriented Programming

Problem Solving Tools & IDEs:

Code::Blocks, Visual Studio, GCC, Eclipse

Machine Learning Tools & Libraries:

NumPy, Pandas, Scikit-learn, TensorFlow, Keras, Jupyter Notebooks

Data Handling & Visualization:

Matplotlib, Seaborn, CSV/Excel data processing

Version Control:

Git, GitHub
